PROFESSIONAL EXPERIENCE

Matuska Taxidermy Supply Company

Freelance Marketing & Design Specialist / Ecommerce Lead | Remote | January 2025 - Present

- Lead day-to-day front-end and back-end operations for a multimillion-dollar ecommerce business, owning the site experience, merchandising, content, and technical problem-solving.
- Manage and continuously improve a custom BigCommerce storefront through HTML, CSS, JavaScript, Script Manager, app integrations, responsive UI, navigation, product pages, checkout workflows, and conversion-focused enhancements.
- Plan and execute integrated marketing across Meta Ads, AdRoll retargeting and display, email, social media, onsite promotions, and seasonal campaigns; align audiences, creative, offers, landing pages, and performance review.
- Direct email marketing from campaign planning and design through audience segmentation, scheduling, deployment, and results analysis.
- Produce print catalogs, digital catalogs, magazine advertisements, brochures, banners, product graphics, packaging, and sales materials while maintaining a consistent brand system across channels.
- Manage Amazon Seller Central catalog operations, including bulk uploads, GTIN-exempt products, parent-child variations, listing compliance, search-suppression issues, and product data troubleshooting.
- Partner with leadership and internal teams to prioritize initiatives, communicate requirements, and carry projects from concept through launch and ongoing optimization.

Matuska Taxidermy Supply Company (continued)

Marketing Coordinator | In-Office | August 2022 - December 2024

- Led a team of designers and coordinated integrated campaigns across ecommerce, email, social media, print, and trade publications.
- Directed production of large print and digital product catalogs, including page planning, design systems, product content, proofing, and print-ready files.
- Designed magazine advertisements, brochures, packaging, product collateral, email campaigns, social graphics, and seasonal promotional materials.
- Managed campaign calendars, project timelines, creative reviews, and stakeholder presentations while collaborating across sales, operations, and product teams.
- Supported ecommerce merchandising, product launches, web content, photography, and video editing to maintain a consistent customer experience across digital and physical touchpoints.

INDEPENDENT STUDIO EXPERIENCE

Hope in Print

Owner | Creative, Web & Marketing Specialist | Self-Employed / Multiple Clients | January 2023 - Present

- Founded and manage a multidisciplinary creative studio delivering brand strategy, web and ecommerce design, print, film, and marketing services for small businesses, ministries, and nonprofits.
- Build cohesive brand identities and responsive websites across Shopify, BigCommerce, Squarespace, and Wix, balancing visual storytelling with usability and business goals.
- Develop email, social, content, and paid-campaign creative, translating strategy into consistent digital and print systems across customer touchpoints.
- Manage the full client lifecycle, including discovery, proposals, scope, timelines, feedback, production, launch, and post-launch support.
- Provide art direction, photography, video editing and post-production, interactive PDFs, digital devotionals, and narrative-driven content.

EDUCATION

Bachelor of Science, Marketing | Minnesota State University | 2016 - 2020

LEADERSHIP & COMMUNITY SERVICE

Sunday School & Youth Leader | Local Church | 2020 - 2022

Led Sunday School and Wednesday-night classes, created engaging lessons, mentored students, and fostered a safe, supportive environment.

Meals on Wheels | Spirit Lake, IA | 2019 - 2020

Delivered meals and provided companionship to seniors and community members.

Feeding Our Communities | Mankato, MN | 2019

Supported food distribution and event coordination for local families and children.
